SUBJECT: Incurred Costs and Indirect Expense Rates Audit
for Fiscal Year 1998: TIRNO-93-C-0026, TIRNO-93-D-0026, and
TIRNO-93-D-0036 (Audit #200210002.001)

The Defense Contract Audit Agency (DCAA) audited the contractor's November 16, 1999 certified indirect cost rate proposal and related books and records for reimbursement of Fiscal Year 1998 incurred costs. The purpose of the audit was to determine the allowability of direct costs and indirect cost rates and establish audit-determined indirect cost rates for the period October 1, 1997 through September 30, 1998.

The DCAA noted that the contractor's accounting system is considered generally adequate to ensure the proper accumulation and reporting of direct costs under government contracts, and the proper accumulation of indirect costs into pools and allocation to contracts. However, the DCAA questioned some overhead and general and administrative costs.

The information in this report should not be used for purposes other than that intended without prior consultation with the Treasury Inspector General for Tax Administration regarding its applicability.
